

# Industrial Equipment Hire and Raw Materials Supply

Capability Statement

# Welcome to Country

i24s Group Pty Ltd (i24s) acknowledges Aboriginal and Torres Strait Islander Peoples as the First Peoples of Australia and the Traditional Owners and Custodians of lands and waterways on which we work and live.

We honour the wisdom of and pay respect to Elders past and present, and we acknowledge the cultural authority of all Aboriginal and Torres Strait Islander peoples across Australia. We also acknowledge the vital contribution made by our Aboriginal and Torres Strait Islander employees and we thank them for their insights.

# United Nations (UN) Declaration on the Rights of Indigenous Peoples

We acknowledge that the UN Declaration on the Rights of Indigenous Peoples (the Declaration) is an international human rights framework that recognises and protects the unique and collective rights of Indigenous peoples across the world.

In the Australian context, this instrument relates to Aboriginal and Torres Strait Islander people's rights.

We continue to strive for best practice when engaging with Aboriginal and Torres Strait Islander peoples and communities, in alignment with the Declaration, i24s' Human Rights Policy and our Aboriginal and Torres Strait Islander Peoples Engagement Strategy.

# Introduction

i24s helps clients in the Mining, Resources, Energy and Infrastructure sectors to deliver and operate major capital projects while simultaneously boosting their environmental, social and governance (ESG) performance.

i24s is a 100 per cent Aboriginal-owned, Supply Nation-Certified business providing workforce solutions, industrial equipment hire and raw materials to clients – which enables them to increase their Indigenous procurement and participation, increase female participation and deliver their projects safely, within budget and on schedule.

The Company was established in Perth, Western Australia (WA), by the Co-Founders/Executive Directors, Angela Kickett and Justin Kickett.

In 2024, Angela and Justin continue to realise their vision, “We empower individuals to thrive by providing career pathways, meaningful employment and tangible business opportunities.”

i24s’ capabilities are listed below and further information is contained on the pages that follow.

- Workforce Solutions – Integrated Security
- Workforce Solutions – Commercial Cleaning
- Industrial Equipment Hire
- Raw Materials Supply (e.g. fuel, water, gravel and steel)
- Training and Certification
- Outreach and Advocacy.

# Modern Equipment and Sustainably Sourced Raw Materials

At i24s, we help clients to deliver and operationalise their major capital projects by providing well-maintained industrial equipment for and supplying raw materials.

Beginning in Australia's thriving Mining and Resources sector, i24s quickly established an enviable reputation for being a reliable and efficient Indigenous contractor, that is able to respond to clients' needs promptly and cost-effectively.

During the past three years, i24s expanded to provide industrial equipment hire and raw materials to various other growing sectors including:

- Energy
- Ports and Maritime
- Water and Wastewater
- Transportation
- Government, Justice and Communities.

## Local Knowledge Combined with Global Reach

The Company delivers reliable industrial equipment and sustainable raw materials to regional towns and metropolitan cities.

As we grow into new key geographies, we are teaming with trusted business partners to fulfil our clients' needs.

## Industrial Equipment Hire

i24s hires out the following industrial equipment:

- fuel tanks for onsite refuelling; and
- water carts for portable water supply and dust suppression.

## Raw Materials

We source and deliver the following raw materials for major capital projects:

- fuel;
- water;
- gravel; and
- steel.

## Trusted Business Partners

Through a joint venture with Budget Australia (Budget), i24s also provides a comprehensive range of environmentally-friendly, light commercial vehicles and people movers.

Our goal is to secure long-term contracts with clients, by being the premium provider of a modern, low-carbon fleet of industrial equipment and commercial vehicles.
